

Training Record Sheet

Name: Alexandre Miguel Kaizeler Guedes da Silva Afonso

Date: 29.05.2026

We request creditation for the Curricular units of the Academic Medical Center of Lisbon:

Clinical research & transverse scientific areas (30 ects)	15
Biomedical Sciences and Translational Research (30 ects)	15

Alexandre Miguel Kaizeler Guedes da Silva Afonso
PhD Candidate

Nuno Luis Barbosa Morais
Supervisor

TOTAL ECTS 46,11

Courses

Description	Nº of days	ECTS	TOTAL
Monday Lectures (February 2022 - May 2026)	120	4,285714286	19,46429
Mental Health in the PhD - Burnout and Impostor Syndrome, Oficina da Psicologia, Faculdade de Medicina da Universidade de Lisboa, Portugal January 2026)	1	0,035714286	
Beyond the Lab: Translating Research Ideas into Assets, AccelBio, Faculdade de Medicina da Universidade de Lisboa, Portugal (May 2024)	1	0,035714286	
Curso em Comunicação de Ciência - 3 Minute Thesis, Centro de Transferência de Tecnologia e Conhecimento da Ulisboa, Portugal (April 2024)	2	0,071428571	
"Critical Thinking". CAML workshop, Faculdade de Medicina da Universidade de Lisboa, Portugal (June 2023)	1	0,035714286	
LisbonBioMed PhD program classes (February 2022)	30	15	

Meetings, conferences

Description	Nº hours	ECTS	TOTAL
XV Bioinformatics Open Days, Braga, Portugal (March 2026)	16	0,571428571	6
1st CAML & GIMM PhD meeting, Gulbenkian Institute for Molecular Medicine, Faculdade de Medicina da Universidade de Lisboa, Portugal (January 2026)	24	0,857142857	
EACR 2025 Congress: Innovative Cancer Science, Centro de Congressos de Lisboa, Lisbon, Portugal (June 2025)	32	1,142857143	

XVII CAML PhD Students meeting, Faculdade de Medicina da Universidade de Lisboa,Portugal (May 2024)	24	0,857142857	
13th EMBO Young Scientists’ Forum 2023 - Instituto de Medicina Molecular João Lobo Antunes, Portugal (October 2023)	8	0,285714286	
XVI CAML PhD Students meeting, Faculdade de Medicina da Universidade de Lisboa,Portugal (May 2023)	24	0,857142857	
RNA in Disease - RiboMed and IX ptRNA joint meeting, Instituto de Medicina Molecular João Lobo Antunes, Portugal (January 2023)	8	0,285714286	
EMBO EMBL Symposium The complex life of RNA 2022, EMBL Heidelberg, Germany (October 2022)	32	1,142857143	

First author presentations at national meetings/ institutions

Reference	ECTS	TOTAL
"CHARM: A Comprehensive Hub for Alternative Regulatory Mapping of RNA-Binding Proteins". Bioinformatics Open Days, Braga, Portugal (March 2026)	0,50	3,00
"Revisiting Stress Granule Transcriptomes Reveals Mitochondrial RNA Enrichment Despite Methodological Bias". 1st CAML & GIMM PhD meeting, Gulbenkian Institute for Molecular Medicine, Faculdade de Medicina da Universidade de Lisboa, Lisbon, Portugal (January 2026, Poster presentation)	0,50	
"The Role of RNA Length in the Stress Granule Transcriptome". XVII CAML PhD Students meeting, Faculdade de Medicina da Universidade de Lisboa,Portugal (May 2024, Poster presentation)	0,50	
"Does Size Matter? The Role of RNA Length in the Stress Granule Transcriptome". 13th EMBO Young Scientists’ Forum 2023 - Instituto de Medicina Molecular João Lobo Antunes, Portugal (October 2023, Poster presentation)	0,50	
"A Computational Approach to Define a Stress Granule Signature and its Implication in Cancer". XVI CAML PhD Students meeting, Faculdade de Medicina da Universidade de Lisboa,Portugal (May 2023, Poster presentation)	0,50	
"A Computational Approach to Define a Stress Granule Signature and its Implication in Cancer". RNA in Disease - RiboMed and IX ptRNA joint meeting, Instituto de Medicina Molecular João Lobo Antunes, Portugal (January 2023, Poster presentation)	0,50	

First author presentations at international meetings/ institutions

Reference	ECTS	TOTAL
"Deciphering the Role of Stress Granules: Dampening Inflammation in Cancer through Mitochondrial RNA Sequestration." EACR 2025 Congress: Innovative Cancer Science, Lisbon (Portugal), 17 June 2025.	1	2
"A Computational Approach to Define a Stress Granule Signature and its Implication in Cancer". EMBO EMBL Symposium The complex life of RNA 2022, EMBL Heidelberg, Germany (October 2022, Poster presentation)	1	

First author, publications in indexed journals

Reference	ECTS	TOTAL
Schneider AL*, Martins-Silva R*, Kaizeler A*, Saraiva-Agostinho N, Barbosa-Morais NL. voyAGER, a free web interface for the analysis of age-related gene expression alterations in human tissues (2024). Elife;12:RP88623. doi: 10.7554/eLife.88623.	6	6

* these authors contributed

First author, publications in non-indexed journals

Reference	ECTS	TOTAL
NA	0	0

Author (not first), publications in indexed journals

Reference	ECTS	TOTAL
Wagner, V., Bousset, L., Ascensão-Ferreira, M. et al. Spliceosome induction is a druggable dependency of RAS-driven senescence and cancer (2026). Nat Commun. doi: 10.1038/s41467-026-71564-z	3	6
Martins-Silva R, Kaizeler A, Barbosa-Morais NL. Exploring molecular signatures of senescence with markeR, an R toolkit for evaluating gene sets as phenotypic markers (2026). NAR Genomics and Bioinformatics. doi: 10.1093/nargab/lqag057	3	

Author (not first), publications in non-indexed journals

Reference	ECTS	TOTAL
Oliveira, Bruna SP, et al. "Limited bone marrow chimerism impairs cell competition in the thymus and causes leukemia." bioRxiv (2025): 2025-12.	0,5	0,5

Science communication activities

Description	Nº hours	ECTS	TOTAL **
Outreach activity for the IMM Laço, consisting of a golf charity event at Penha Longa Resort (May 31, 2024)	8	0,285714286	0,571429
European Researcher's Night (October, 2022)	8	0,285714286	

Science management activities

Description	Nº hours	ECTS	TOTAL **
Tutoring of the Lab Rotation of MSc student Márcia Saldanha (January 2024)	8	0,29	2,57
Tutoring of the Lab Rotation of MSc student Gonçalo Jubilado (May 2023)	8	0,29	

Organizer of XVI CAML PhD Students Meeting, Lisbon (2023)	100	3,571428571	
Organizer of Computational Biology and Bioinformatics Seminars (CBBS) at Instituto de Medicina Molecular (2022 – 2024)	70	2,5	

** Maximum of
1 ECTS per

Despacho da Comissão Científica do
 Programa Doutoral do Centro
 Académico de Medicina Lisboa

Despacho do Conselho Científico
